

Pencil Me In Cosmetics Gives to Give to Bless

Give To Bless is a nonprofit corporation devoted to assisting other 501(c)(3) groups in their fundraising efforts through an internet gift site www.GiveToBless.org. Because the desire of *Give To Bless* is to offer exceptional products at fair prices to our customers, we hand pick every gift for our e-store, and promote only quality items.

One way the site is stocked is by various manufacturers' ongoing product "philanthropy." These generous product donations allow us to successfully offer great gifts on the site, promote and advertise products to our target market of women, and most importantly, raise needed funds for nonprofits and charities. The 501(c)(3) organizations we assist receive 50% of sales during their designated fundraisers and generate year round revenue from the site as well, all at *absolutely no cost to the group*.

When we became aware of the uniquely superior pencils by *Pencil Me In Cosmetics*, the product became a "must have" for the site store. We are so thrilled with this manufacturer's willingness to join in our efforts to make a real difference!

Because of their heartfelt response and generous product donation of natural eye pencils, *Pencil Me In Cosmetics* achieves a win-win and doubles the impact of their giving. Our shoppers have the first win as they can genuinely feel good about choosing health conscious cosmetics. With *Pencil Me In Cosmetics*, they can embrace doing "the right thing for their skin" and be rewarded with the enjoyment of a noticeably superior product!

The second win is this: at the same time *Pencil Me In Cosmetics* is helping our shoppers have a great experience, the generous product donations greatly impact the ultimate fundraising efforts of supported charities! Each time a *Pencil Me In Cosmetics* eye pencil is purchased, a customer is ultimately satisfied and an altruistic cause is helped financially. We think that is a Win-Win-Win with our shoppers, our charities, and *Pencil Me In Cosmetics*!

Our corporate heart is to encourage a culture of giving that motivates and inspires us beyond challenges and obstacles, to intentionally **Give To** others and **Bless** lives! Thank you, *Pencil Me In Cosmetics*, for choosing to do just that!
